

Hello!

ElementalExcelerator is looking for mission-driven individuals to join our team.

Full-time positions:

- Executive Assistant
- California Community Lead
- Content Specialist
- Education and Workforce Lead
- Project Manager (coming soon!)

Internships:

- Communications Fellow
- Portfolio Fellow (coming soon!)

If you're a fit for one of the positions, apply at elementalexcelerator.com/mission/#join. If not, we know the right person is out there, so please forward this email to one friend or colleague (or five if you're feeling ambitious)!

Mahalo,

Jill and the Elemental Excelerator team

p.s. One of our Global Partners and a handful of our portfolio companies are

looking to hire. Keep reading for more.

Who is Elemental Excelsator?

[Elemental Excelsator](#) helps startups change the world, one community at a time. Each year, we find 12-15 companies that best fit our mission and fund each company up to \$1 million to improve systems that impact people's lives: energy, transportation, water, agriculture, and beyond. To date, we have awarded over \$22 million to more than 60 companies. What makes us unique? We co-fund, co-design, and co-develop projects and strategies that improve infrastructure and sustainably enhance communities. Our program is funded by a diverse coalition of utility partners, corporate partners, the U.S. Navy, the U.S. Department of Energy, state government, and philanthropic organizations. We are a non-profit created in collaboration with Emerson Collective.

What full-time positions are we hiring for?

Executive Assistant will be our in-house ninja to support the needs of our CEO and COO. Responsibilities include managing calendars, meeting follow-up, and relationship management.

Full-time | Honolulu, Hawaii

California Community Lead will lead in designing, developing, and driving Elemental Excelsator community engagement, policy work, and public convenings in California.

Full-time | Bay Area, California

Content Specialist will contribute to the growth of our program and portfolio, and a larger movement to transition the world to 100% clean energy through outstanding written content and presentations.

Full-time | Honolulu, Hawaii

Education & Workforce Lead will help identify and create pathways to foster a STEM-educated workforce in the fields of energy, environment, and technology to stimulate growth in the clean energy and innovation sectors of Hawaii's economy.

Full-time | Honolulu, Hawaii

Any internships?

Communications Fellow will work closely with the communications team to support our core activities and events. If you are creative, detail-oriented, and working towards a degree in communications, marketing, or a related field, we want to hear from you.

Part-time | Honolulu, Hawaii

How can you apply?

Head on over to elementalexcelerator.com/mission/#join. We have more positions coming soon, so be sure to check back (or keep up with our newsletter) to see when they are posted!

Our companies are hiring!

- Blynco is looking to add an experienced (3+ years) [Sales Executive](#) to their Utah-based team. (And did I mention... onsite yoga?)
 - Help Swiftly hire! Jonny and the Swiftly team are looking for a San Francisco-based [Director of Sales](#) who will: define their sales strategy, create a scalable and repeatable sales process, and build lasting relationship with transit agencies. Check it out!
 - Signal is ready to hire a [Full Stack Developer or Software Engineer](#) to create a fully workable market-ready web platform. Interested? Email dan@signal.io.
-

Our partners are hiring, too!

Vector, our Global Partner and New Zealand's largest distributor of energy, is looking for people to join their innovation team!

- [Group Manager – Emerging Technology](#)
- [Emerging Technology Manager](#)

"We believe high performers don't need rules, just a strong purpose – which is something we provide at Vector. We are leading the transformation of the energy sector to create a better energy future; identifying and developing options that will provide value, choice, and service for our customers throughout New Zealand." - The Vector team
